Recommendation letter for Mustafa Khazaei

Dear colleague -

I hope this finds you well.

I'm writing to you to **strongly endorse Mustafa Khazaei** for a technical role in your company.

We are a social venture that supports young aspiring talents from non-European countries in finding a challenging tech job in Europe or North America. We run a **highly selective 4 week digital boot camp** for full stack developers, data scientists/engineers and software automation testers. Over the course of the program, we identify candidates whose **talent, passion and work ethic** significantly stand out from their peers.

Mustafa Khazaei is an outstanding Full stack engineer who ranks in the top 10% of our peer group.

English communication	Strong – validated in multiple rounds of 1:1 interviews
Technical skills	High & up to date – on par with candidates in Germany
Unique qualities	Academic excellence (top 10% of class)
EU 'Blue Card' eligibility	Yes - Degree needs review - run a quick check via Anabin DB
Maturity	Mid-Level – 4 years of work experience

Please feel free to reach out to me personally at johann@joinimagine.org in case of any questions.

Warm regards & herzliche Grüße -

Dr. Johann Daniel Harnoss
